

**International Workshop on *In Vitro* Methods for Assessing
Acute Systemic Toxicity**

Invited Expert Scientists

Group 1: *In Vitro* Screening Methods

1. **Julia Fentem**, Unilever, UK, **Co-Chair**
2. **Charles Tyson**, SRI International, **Co-Chair**
3. **Robert Combes**, FRAME UK
4. **Rodger Curren**, Institute for In Vitro Sciences
5. **Elke Genschow**, ZEBET, Berlin, Germany
6. **Alan Goldberg**, Johns Hopkins University Center for Alternatives to Animal Testing
7. **A. Wallace Hayes**, Gillette Company
8. **Manfried Liebsch**, ZEBET, Berlin, Germany
9. **Lennart Romert**, CTLU-MEIC, Stockholm
10. **Noriho Tanaka**, Food and Drug Safety Center, Japan

ICCVAM Agency Participants

1. **Kailash Gupta**, CPSC
 2. **Ken Hastings**, FDA, CDER
 3. **Abdallah Khasawinah**, EPA, HED
 4. **Elizabeth Margosches**, EPA, OPPT
 5. **Phil Sayre**, EPA, OPPT
 6. **Leonard Schechtman**, FDA, CDER
 7. **Suhair Shallal**, EPA, HED
 8. **William Stokes**, NIEHS
-

.....

Group 2: *In Vitro* Methods for Toxicokinetics

Bas Blaauboer, Utrecht University, The Netherlands, **Co-Chair**

Harvey Clewell, Consultant, **Co-Chair**

Richard Clothier, FRAME, Univ. of Nottingham, UK

Charles Crespi, Gentest Corp

Benjamin Gerson, Am. Soc. Of Clin. Pathologists

Gabrielle Hawksworth, University of Aberdeen, UK

Greg Kedderis, CIIT

Karl Rozman, Kansas Univ. Medical Center

Cal Willhite, State of California, Dept. of Tox. Substances

ICCVAM Agency Participants

1. **Mike Cunningham**, NIEHS
2. **John Frazier**, USAF
3. **Steve Hundley**, FDA, CDER
4. **Harry Salem**, U.S. Army

Group 3: *In Vitro* Methods for Organ Specific Toxicity

Kathy Stitzel, Proctor & Gamble, **Co-Chair**

Erik Walum, Pharmacia & Upjohn AB, Sweden, **Co-Chair**

Dan Bagley, Colgate-Palmolive

Michael Balls, ECVAM

Gene Elmore, University of California, Irvine

Anna Forsby, Stockholm University, Stockholm, Sweden

Sidney Green, Howard University

ICCVAM Agency Participants

1. **Jim Antonini**, NIOSH
 2. **Rajendra Chhabra**, NIEHS
 3. **Karen Hamernik**, EPA, OPP
 4. **Jerry Heindel**, NIEHS
 5. **David Lester**, FDA, CDER
-

.....
Group 4: Reference Chemicals for Validation of *In Vitro* Acute Toxicity Test Methods

Angela Auletta, EPA, OPPT, **Co-Chair**
Leon Bruner, Gillette Company, **Co-Chair**
Martin Barratt, Independent Consultant, UK
James Cone, California Dept. of Health Services
John Harbell, Institute of In Vitro Sciences
Peter Jurs, University of Pennsylvania
Gilles Klopman, Case West. Reserve Univ.

ICCVAM Agency Participants

1. **Tom Collins**, FDA, CFSAN
 2. **George Cushmac**, DOT
 3. **Leonard Keifer**, EPA, OPPT
 4. **John O'Rangers**, FDA, CVM
 5. **Alberto Protzel**, EPA, OPP
 6. **Errol Zeiger**, NIEHS
-

**Organizing Committee for International Workshop on In Vitro Methods for
Assessing Acute Systemic Toxicity**

Organizing Committee Co-Chairs

Dr. John Frazier, U.S. Air Force
Dr. Philip Sayre, U.S. Environmental Protection Agency

ICCVAM Co-Chairs

Dr. Richard Hill, U.S. Environmental Protection Agency
Dr. William Stokes, National Institute of Environmental Health Sciences

Organizing Committee Members

Dr. Surender Ahir, Occupational Safety and Health Administration
Dr. Angela Auletta, U.S. Environmental Protection Agency
Dr. Ron Brown, Food and Drug Administration
Dr. Tom Collins, Food and Drug Administration
Dr. George Cushmac, Department of Transportation
Dr. Peter Goering, Food and Drug Administration
Dr. Kailash Gupta, Consumer Product Safety Commission
Dr. Karen Hamernik, U.S. Environmental Protection Agency
Dr. Jerry Heindel, National Institute of Environmental Health Sciences
Ms. Vera Hudson, National Library of Medicine
Dr. Stephen Hundley, Food and Drug Administration
Dr. Elizabeth Margosches, U.S. Environmental Protection Agency
Dr. Leonard M. Schechtman, Food and Drug Administration
Dr. Melvin Stratmeyer, Food and Drug Administration
Dr. Kenneth Weber, National Institute for Occupational Safety and Health
Dr. Errol Zeiger, National Institute of Environmental Health Sciences

Organizing Committee Support Staff

Dr. Ray Tice, Integrated Laboratory Systems, Inc
Mr. Brad Blackard, Integrated Laboratory Systems, Inc.
Ms. Christina Inhof, Integrated Laboratory Systems, Inc.
