

Dr. William Stokes, Director
NICEATM (MD EC-17), NIEHS
P.O. Box 12233
Research Triangle Park, NC 27709

Dear Mr. Stokes;

Please begin efforts to completely replace lethal dose testing with non-animal, in vitro testing methods. Since there are other feasible alternatives to lethal dose testing, it is the ethical thing to do to begin exploring these alternatives. There is already so much unnecessary suffering in this world. You have the power to change that.

Thank you for your consideration,
Jennifer Brown
